

2021 ASIA PACIFIC INTERNATIONAL SYMPOSIUM ON EMC (APEMC)

25 - 28 May 2021
Bali, Indonesia

About This Symposium

The Asia-Pacific International Symposium on Electromagnetic Compatibility (APEMC) was founded in 19 May 2008. After the great success of EMC Zurich held in Singapore in 2006, broad discussions commenced and as a result, APEMC was established.

APEMC aims to share advances in all aspects of research conducted into EMC and respond to the latest requirements by networking with the international EMC community. We invite all engaged in the latest research and development of the various fields of EMC to participate in the APEMC2021 symposium. IEEE EMC Society is a technical sponsor of APEMC2021

PAPER TOPICS

EMC Management, standards and regulations
EMC Measurements and EM Environment
High Power Electromagnetics
Lightning
System-Level EMC and Protection
Transportation EMC, Automotive/Railway/Ship EMC
Smart Grid EMC and Low Frequency EMC
IC and Semiconductor EMC
Computational Electromagnetics and Multiphysics Modeling
Signal and Power Integrity
Bio-Medical Electromagnetics and Wearable Devices EMC
Nanotechnology and New Materials
Wireless Communication EMC
Aerospace EMC
EMC in Emerging Countries
Others

IMPORTANT DATES

Proposals for Special Sessions, Workshops and Tutorials	15 November 2020
3-4 page full paper or One-page abstract submission (not be included in IEEE Xplore)	15 December 2020
Notification of Acceptance	31 January 2021

CALL FOR PAPERS

2021 ASIA PACIFIC INTERNATIONAL SYMPOSIUM ON EMC (APEMC)

Paper Submission

All papers must be submitted electronically in a two column format of either **one-page** abstract or **3-4 page** full paper in length. A one-page abstract must include title, author's affiliation, key findings, max 2 figures and 2-3 references (Note: one-page abstract will NOT be included in IEEE Xplore). 3-4 pages full papers must include title, authors's affiliation, abstract, figures and references (Accepted papers will be submitted for inclusion into IEEE Xplore). All submissions must be made through the APEMC2021 website (www.apemc2021.org) and must be in electronic format (PDF). A Word or Latex template is available at the symposium website. Hardcopy submission will NOT be accepted.

Awards

APEMC2021 recognizes the innovative and high quality paper submission through the following prestigious awards :

1. **Best Symposium Paper Award** - to honor the authors of papers judged to be of high-novelty, quality of results and excellent presentation.
2. **Best Student Paper Award** - to honor a full time student who is the first author of an outstanding paper of works in the EMC field. Papers co-authored by a student and his or her advisor are eligible, provided the student is the principle author and also the presenter.

Exhibition

An EMC exhibition will be held in parallel with the conference. The exhibition offers an excellent opportunity to all segments of the EMC community to meet, providing an international gathering for everyone involved in technologies associated with RF, Microwave, Antenna, EMC instrumentation, Analysis Software, Materials and Nanotechnologies, Books and Journals, etc.
